Fax: 319/754-9382

Dear Parents and Guardians,

WBISD wants to ensure your children are safe during periods of extreme cold weather. The WBISD Board of Directors has adopted the following cold weather guidelines attached to this email. Here are some important things to know:

- **Extreme Cold Warnings:** If an Extreme Cold Warning is in effect at 10:00 AM, school will be canceled for the day.
- **Cold Weather Advisories:** If a Cold Weather Advisory is in effect at 6:00 AM, school will have a two-hour delay.

In case of emergency school closures, we will send notifications via phone, email, and text message.

Please encourage your child to dress in layers, cover exposed skin, and wear warm clothing. Limit outdoor activities during extreme cold weather.

We will monitor weather conditions closely and communicate any changes through the school website, social media, and emergency notification systems.

Thank you for your cooperation,

A handwritten signature in black ink that reads "Jason Wester". The signature is fluid and cursive, with the first and last names being the most prominent.

Jason Wester  
Superintendent
